

Semi-Script - Example

VIDEO

FADE IN:

Montage of racing shots, all action, some slow motion, but mostly normal speed.

DISSOLVE TO:

Car traveling around the track, camera mounted inside car. No other cars are on the track. Perhaps a formula car would be best, where tire movement would show.

Various drivers talking about racing.

Crews and family members.

DISSOLVE TO:

Montage: crew prepping car, filling tank, walk/drive to false grid, putting on helmet & gloves, kiss from spouse/SO, strapping on belts, five & one minute warnings, onto track with pace car.

FREEZE ON GREEN FLAG.

FADE OUT.

AUDIO

FADE IN AUDIO:

Sound of race car, then quickly into a song with strong, fast beat.

CROSS FADE FROM SONG TO SOUND OF CAR UNDER

VO of drivers talking about racing, going around the track.

QUESTIONS FOR DRIVERS:

- Why do you race?
- What's it like out there?
- How does this compare to other activities in your life?
- Any career goals in racing?

Questions for crew & spouses.

- How do you feel about what he/she is doing out there?
- Do you want to race, too?
- Why do you spend time and effort just so he/she can go out and have all the fun?
